## Creativity and Session Fee:

**\$100 on-location session, paid in advance to reserve your special time.**

**Your session fee includes your pre-session consultation, up to an hour of Marie's time and talent to capture and thoughtfully custom edit your images, and a yummy multimedia slideshow online preview. A password protected online proof gallery review is posted approximately one week after your session takes place. Digital files are sold separately.**

Sessions are generally located within a 30 mile radius of Fleming Island, Florida. Your home or the place of your choice—it's up to you! Additional mileage will be charged at an hourly rate of \$20 per hour. Session fee does NOT include any images.

To obtain images, see below.

## Image Investment:

**Have it your way. Each digital image is available in full resolution for you to print at the most economical place of your choice.**

~single edited image: \$10.00 each for download to your home computer

~entire gallery: (30+ images): \$100.00 for entire gallery download to your home computer

I offer a complete guarantee for your session. I'm more than happy to schedule a new session, for any reason, at no extra charge.
